

Fall Fly-in

At Conway Airport

Date: Sat., Oct 28, 2017

Time: 10:30 a.m. until...

Come one - come all.

Ultralights, light-sport, homebuilts, classics, and all other aircraft are welcome.

Please join us to share the camaraderie of this annual Fall aviation event Saturday, October 28th. If it rains we'll meet on the 29th.

We will have hot dogs, and chicken bog for lunch. We'll start serving at 11:30 a.m. All proceeds go to support Conway's EAA Chapter 1167 to support local aviation.

Driving in? Conway Airport is just a couple miles west of Conway SC on Hwy 378.

PLEASE NOTE: Conway (KHYW) has no tower and it's not in Myrtle Beach's Class C airspace, no radio required, it's ultralight and light sport friendly as well as GA of course, fuel is available on the field.

See: <http://EAA1167.org> for more info.
